§30.13 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mrs. ROUKEMA:

Strike subsection (b) of section 102 and insert the following:

(b) AFFIRMATIVE ACTION ENCOURAGED; DISCRIMINATION OR PREFERENTIAL TREATMENT PROHIBITED.—

(1) AFFIRMATIVE ACTION ENCOURAGED.—It is the policy of the United States—

(A) to expand the applicant pool for transportation contracts in order to increase competition;

(B) to encourage participation by businesses owned by women and minorities in bidding for transportation contracts;

(C) to recruit qualified women and minorities into the applicant pool for transportation contracts; and

(D) to encourage transportation contractors—

(i) to request businesses owned by women and minorities to bid for transportation contracts; and

(ii) to include qualified women and minorities into an applicant pool for transportation contracts;

so long as such expansion, encouragement, recruitment, request, or inclusion does not involve granting a preference, based in whole or in part on race, color, national origin, or sex, in selecting any person for the relevant contract.

(2) PROHIBITION AGAINST DISCRIMINATION OR PREFERENTIAL TREATMENT.—Notwithstanding any other provision of law, no governmental entity shall, in connection with a transportation contract—

(A) intentionally discriminate against, or grant a preference to, any person or group based in whole or in part on race, color, national origin, or sex; or

(B) require or encourage a contractor or subcontractor to discriminate intentionally against, or grant a preference to, any person or group based in whole or in part on race, color, national origin, or sex.

(3) DEFINITIONS.—As used in this subsection—

(A) the term "transportation contract" means any contract or subcontract in connection with any project paid for in whole or in part with funds derived from amounts authorized to be appropriated by this Act; and

(B) the term "preference" means an advantage of any kind, and includes a quota, set-aside, numerical goal, timetable, or other numerical objective.
